

'Wire Strike Avoidance'

This seminar is applicable for the seasoned aviator, the new student or your non pilot flying companion. Valuable information for both airplane and helicopter operations will be discussed.

Directions: Snohomish Flying Service is located at Harvey Field Airport.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
